

ELECTIONS OFFICE [2855]

STATE CANDIDATE AND OFFICE HOLDERS FINANCIAL DISCLOSURES, 1968-[ongoing]

Storage is off-site; contact the Utah State Archives to order. While some records are in the custody of the Utah State Archives, more recent records may still be with the creating agency.

DESCRIPTION: Candidates for state executive and legislative office are required to file periodic reports disclosing the money they raise and spend. These financial disclosure reports are submitted to the Lieutenant Governor's office at set times throughout the election cycle. The reports help to protect against conflicts of interest and to facilitate open and ethical government. They are governed by UCA 20A-11 (2002). The reports include the following types of information: candidate's name, political party, office, address and signature; and itemized listings of contributions, expenditures and loans. Financial disclosure reports were filed with the State Auditor until 1984. Thereafter filings were transferred to the Lieutenant Governor's office, and then to the Elections Office at the time of its 1995 creation.

Early filings include some non-standard reports--e.g. individuals seeking judicial office and membership on the Utah State Board of Education; and disclosures once required of all media outlets that accepted expenditures from candidates for public office. There are some additional filing aberrations relating to document type. Declarations of candidacy, campaign committee designations and other related forms were sometimes attached to the disclosure reports, that in later years were filed separately.

ARRANGEMENT: The reports are arranged chronologically by election year, thereunder by office, and then alphabetically by candidate's surname. The 1976 reports are an exception to this general order. They were microfilmed without attention to sequence. The original paper copies did not survive, so they could not be re-filmed. Thus the user will need to pay careful attention to the container list to locate reports of interest from this particular year.

RESEARCH NOTE: Financial disclosure reports filed since 1998 are available in their entirety online on the Elections Office website. Thus, only reports filed prior to that time will be available for review through the Utah State Archives.

RELATED RECORDS: ELECTION CYCLE RECORDS, series 21818, contain the documentation required to conduct elections--e.g. declarations of candidacy, candidate certifications, electoral college information and the like. Declarations of candidacy have sometimes been attached to the financial disclosure filings rather than to the election cycle materials as is usual. POLITICAL ACTION COMMITTEE FINANCIAL DISCLOSURE FORMS, series 19908, document the contributions received and expenditures made by Political Action Committees, Political Issues Committees and corporations. POLITICAL PARTY FINANCIAL DISCLOSURES, series 21838, document the contributions received and expenditures made by political parties.

PROCESSING NOTE: This series was processed by Anissa Taylor in January 2003.

PREFERRED CITATION: Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.

GAPS: Reports from 1974 and 1978 are missing.
